Sir,

Sub: BUDGET ESTIMATE - 1950-51 - South Kanara District Bd- Elementary Education funds - closing balance on 31-3-50 - reported.
Ref: G.O.Ms.No.658/Edn.dated 1st March 1950.

With reference to the last paragraph of the Government order cited above, I have to report that the closing balance under the Elementary Education account of this Board on 31-3-50 was R.11,807/- eleven thousand, eight hundred and seven.

2. Out of R.11,807/- a sum of R.10,349/- ten thousand three hundred and forty nine, being the cost of furniture supplied in 1949-50, was paid up-to-date after 1-4-50, as the same could not be paid by 31st March 1950 for want of certain bills and stock entry certificates. This apart, the balance at credit under the Elementary Education funds as it stood on 7th August 1950 is minus 1,46,700-2-10 which has been temporarily utilized from the General Fund Account, in addition to R.4,948-14-0 distributed among sub-treasuries for drawings on E.E.funds.

As the position of Elementary Education funds under this Board is rather bad as indicated above, it will not be possible to pay the salaries of the Board Ele.school teachers unless sufficient subsidy is placed at the disposal of the Board by 31st August 1950. I, therefore, request that Government may be pleased to pass early orders sanctioning subsidy.

Sir,

Sub: BUDGET ESTIMATE - 1950-51 - South Kanara Dt.Bd. Elementary Education Funds - sanction of subsidy - requested.

Ref: This office letter Roc.No.3753-E14-50 dated 3-3-50.

...

In confirmation of the express telegram dated [illegible]; 1950, I request that Government may be pleased to sanction the subsidy to make up the deficit in the Elementary Education funds of this Board as already applied for in this office Roc.No. 3753-E14-50, dated 1-3-50. (In this connection, I would like to state that the date of the reference mentioned in the letter may be read as 3-3-50,.

2. As already stated in my letter under reference, the financial position of the Elementary Education funds under this Board continues to be unsatisfactory. The position as it stood as late as on 8-9-1950 is that there is only a balance of Rs. 3,114-4-0 (three thousand one hundred and fourteen and annas one) only at the credit of the Board in the District Treasury, whereas the amount appropriated by the Elementary Education fund from General funds upto date is Rs.1,21,921-4-0, (one lakh, twenty one thousand nine hundred and twenty one and annas four) with the result that it is not possible even to temporarily divert sufficient amount for the disbursement of salaries of the Ed.Dle. schools for August 1950, from the General funds of this Board. Consequently, the disbursement of salaries to the Ed.Dle.School teachers for August 1950 has been held up.

3. I wish to bring to the kind notice of Govt. that the monthly expenditure towards payment of salaries to the Ed.Dle.school teachers under this Board comes to about Rs.1,40,000/- whereas the monthly recurring subsidies received from Government are only Rs.1,00,000/- as per the following particulars.--

	Rs.
1) Subsidy for the maintenance of schools opened prior to 1st April 1948.	1,00,000/-
2) Subsidy for the maintenance of schools opened after 1st April 1921.	14,414/-
3) Subsidy for the maintenance towards compulsory education.	14,750/-
4) Education tax.	40,750/-
Total.	3,69,914/-

Edn (C) Debt

No action is called for on this orders sanctioning the payment of subsidy of Rs 2.80 lakhs have since been issued. May be added to the G.O. at (C)

11/9/50

Hence, the balance of about .32,000/- only or payment of salaries, are being temporarily utilised every month from the General funds. Now, as the total balance at the credit of the Board is only .5,44-1-0, there is no sufficient amount available to pay the Sec. school teachers apart from meeting any other items of expenditure.

I would, therefore, request that Government may be pleased to come to the rescue of the Board by immediately sanctioning sufficient amount of subsidy to make up the deficit in the Sec. Education funds.

The matter may kindly be treated as expeditious.

Yours

FOR President,
District Board, South Kanara.

Subj:- Subsidy - Ele. Edn. Fund - Towards the expenditure on d.a. for 1950-51 - Payment to the Dt. Bd., South Kanara.

Ref:- From the P.D.B., S.K., No. 3753-E1A-50, dated 8.8.50.

When orders were passed on the Budget Estimate for 1950-51 of the Ele. Edn. Fund under the control of the Dt. Bd., South Kanara, it was anticipated that there would be a deficit of Rs. 4.58 lakhs at the end of 1950-51 assuming that the Fund would have been opened with a nil balance. The P.D.B. has since reported that there was a surplus balance of Rs 11 807/- on 1.4.50. The deficit at the end of 1950-51 will get reduced to Rs 4.47 lakhs. This is due to an expenditure of Rs. 4.21 lakhs on d.a. to teach. It appears that a subsidy should be paid to cover the entire expenditure on d.a. For the present an advance subsidy of towards two thirds of the deficit on d.a. (i.e. Rs 2.80 lakhs) may be sanctioned. The need for payment of the balance of Subsidy may be examined on receipt of the R.E. for 1950-51. A draft order is submitted for approval.

2. The file may be sent to L.A. & Finance for acceptance of the draft order.
